

Garretts Green Nursery School **and Enhanced Provision**

Coronavirus update – School closure

Dear Parents and carers,

As per national guidance, Garretts Green Nursery School will remain closed from Monday 23rd March, to all pupils to prevent the spread of Coronavirus. We are endeavouring to remain open for children of parents who are classed as key workers, as well as pupils who are subject to an Education and Healthcare Plan (EHCP) or have an allocated social worker.

However the Government has advised that the fewer children making the journey to school, and the fewer children in educational settings, the lower the risk that the virus can spread and infect vulnerable individuals in wider society. Children should only be in school if they cannot be safely cared for at home.

Please see <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision> for further information re: keyworkers.

Please can Parents/Carers who are key workers indicate this by sending an email to: c.henebury@garretts.bham.sch.uk

In the meantime, please visit our school website and access your child's Tapestry account for updates from your child's keyworker re possible activities to do at home.

Best Wishes from us all at Garretts Green Nursery School

STAY SAFE!
